

Mrs. Alice Dadosky, R.N.
School Health Aide

Mrs. Alice Dadosky, R.N., is our School Health Aide. She graduated from the University of Cincinnati, Raymond Walters Campus with an A.D. in nursing in 2006. Since then she has worked on a medical/surgical floor at Bethesda North Hospital and a geriatric mental health unit at Good Samaritan Hospital. Her focus in nursing has always been preventative health/whole body well-being. She enjoys teaching all ages about God's perfect design of the human body and the wonder of chemistry that keeps it all running! Through good care and the understanding of the importance of a healthy lifestyle, she hopes to encourage the students and support the teachers in the continued promotion of respect for our precious gift from God-ourselves.
