

Mrs. Elaine Nolte  
Assistant Principal

Mrs. Elaine Nolte is the Assistant Principal. After working for nearly 20 years at Good Samaritan Hospital she decided to pursue a degree in elementary Education at the University of Cincinnati. She was a 5<sup>th</sup> and 6<sup>th</sup> grade teacher for 11 years at Our Lady of the Sacred Heart School. While teaching, she received her Masters degree in Education/Administration from Xavier University and joined St. Gertrude in 2002. Though Mrs. Nolte enjoys the variety of responsibilities and duties associated with administration, there are times she misses the classroom, so she has also taken on the task of teaching junior high electives, including sharing her professional experience in cake decorating.
