

Mr. Geoffrey Hoebbel

Junior High Teacher/Algebra/Foreign Language/Math Enrichment

Mr. Geoffrey Hoebbel received his Bachelor of Science degree in Elementary Education from the University of Cincinnati and his Masters in Elementary Administration from the University of Cincinnati. He enjoys serving in an enrichment role in the school, teaching sixth grade Spanish, seventh grade Chinese, eighth grade Latin, grades 3-5 Math Enrichment, and one section of eighth grade Algebra. Mr. Hoebbel is always eager to see how new technology and resources can help to open the minds of his students, such as teaming up with a live tutor from China via Skype and using Quia websites with online quizzes and activities for Spanish and Latin. Before coming to SGS he taught in the Cincinnati Public School District. Mr. Hoebbel has been part of the SGS staff since 2005.
