

Mr. Jim Andrus
Maintenance

Mr. Jim Andrus helps to keep our school polished, heated, cooled, and in good repair. Prior to coming to St. Gertrude School, he was employed by Kenwood Terrace Nursing Home. Mr. Andrus has been a part of the St. Gertrude School family since 1994. One of the things he likes best about St. Gertrude is the people he gets to know and help each day. A favorite activity is attending his children's sporting events.
