

Mrs. Jennifer Williams  
Math Resource Teacher

Mrs. Jennifer Williams (Math Resource Teacher, grades K-8) comes to St. Gertrude's with a BA from Ohio University in Early Childhood Education and a Masters from Wright State University in Special Education. Before coming to St. Gertrude she worked for five years as an intervention specialist at the elementary level. She proudly joined St. Gertrude School in 2008. Mrs. Williams enjoys seeking out new ways to present math concepts to students.
