

Mrs. Teresa Morabito
Tech Coordinator

Mrs. Teresa Morabito joined the St. Gertrude School staff in 2002. She graduated from Thomas More College with a Bachelor of Arts in Computer Science and Math and an Associate of Arts in Philosophy. After spending 12 years in systems support at two large corporations in the Cincinnati area, Mrs. Morabito began her work as a school technology coordinator. As a parent and teacher, Mrs. Morabito is a strong believer in the value of a Catholic education. A life-long learner herself, Mrs. Morabito enjoys the variety of her role as technology coordinator, from troubleshooting network problems to teaching first graders how to use the shift key. She enjoys working with teachers and students of all ages.
